

I am writing regarding K-LOVE Radio which provides family friendly, positive Christian music through FM translators. K-LOVE Radio is my radio station. It plays music that encourages me, provides me with current news and plays music that anyone of any age can safely listen to. I know that there are many others in my community who listen to K-LOVE Radio. It benefits all of us when people are listening to positive music which affects their attitude and behavior daily. K-LOVE also provides counseling, encouragement, and they enlist listeners in assistance to the homeless and lost. If K-LOVE Radio were to be displaced by an LPFM broadcaster providing other programming, it would be a great loss, not only for the individuals who listen, but for all everyone whose lives are touched by listeners of K-LOVE Radio. Please reconsider expanding LPFM at the cost of stations such as K-LOVE. The affect would be huge in our community and all over the world.
